

**DANCAMPS NORDSØ**  
**SUMMER HOLIDAY 2018**

# SUUUMMER, SUMMER AND SUN

**CLIMB, PLAY AND  
ENJOY THE SUMMER**

## Best-Holiday Recipe:

The first ingredients in the recipe are the North Sea, the beautiful beach and the amusing indoor water park. Next, you add a generous handful of fun - for instance, pool parties with a DJ who plays cool music, a light show, and lots of fun in the water. Mix everything well together, and let the mixture rest until the right consistency is achieved.

While waiting, you can go for a ride with the little green train - the Nordsø Express - which drives around the campsite. And do not forget to join the cosy bonfire with twisted bread (Danish bonfire bread) and marshmallows.

Now the mixture is ready and you can enjoy the best holiday with your family - right here at Dancamps in Hvide Sande.

## Poolparty

Look forward to our popular Pool Parties with cool music, light show and fun in the water park.

## Walk and talk

Research has proved that fresh air and spending time in nature provide better health, well-being and enhanced quality of life, for both children and adults.

The beautiful situation of Dancamps Nordsø in the middle of one of Europe's biggest preserved dune landscapes, right next to the impressive North Sea, gives you the greatest opportunities to breathe a large amount of fresh air and thus obtaining enhanced quality of life. So why hesitate - the nature is out there waiting for you. Take a walk on the beach and enjoy the wind blowing through your hair, or run in the dunes.

*REMEMBER: the nature is open 24 hours a day and 7 days a week :-)*

**Remember -  
at Dancamps,  
participation in  
the activities  
is free, except

forward to  
seeing you**
